## THE HERO'S OWN STORY.

## GENERAL SHERMAN'S DESCRIPTIVE ACCOUNT OF HIS MARCH THROUGH GEORGIA AND THE CAROLINAS.

From his Departure from Chattanooga to the Surrender of General Johnston and the Consolidation of the Confederate Forces under his command.

50,000 COPIES ORGANIZED IN ADVANCE.

This work contains, in a readable type and compact form, the story of General Sherman's brilliant campaign in the Southern States, as it is told in the words of the gallant hero, whose "tense, vigorous and picturesque style" imparts to his narrative a charm rarely possessed by military memoirs.

The volume comprises the History of the ENTIRE CAMPAIGN, including the investment and capture of Atlanta, the key to the whole, which is not to be found in any other work. Add to this many important matters incident to the great march, which is given a defense of General Sherman's conduct official and other attacks, attributed to him.
